

## Sentinel Metal 4-Drawer Chest

### Sentinel 4-Drawer Chest

Built for long-term institutional use, the **Sentinel 4-Drawer Chest** provides generous, secure storage with durable all-steel construction and woodgrain laminate accents. Each drawer supports up to 100 lbs. and operates on precision glides for smooth, reliable performance. The top and third drawers include locks to ensure privacy and security for residents' personal belongings. Adjustable levelers maintain stability on any flooring, while the high-quality black powder-coat finish resists wear and corrosion for lasting durability.

**Dimensions:** 41"H x 31"W x 25"D

### Structural Integrity

- Cold-rolled, multi-welded steel for long-term strength
- Lockable first and third drawers for secure storage
- 100 lb. load capacity per drawer
- No exposed raw edges; corners ground smooth and sanded
- Four adjustable levelers for stability on uneven surfaces

### Finish

- Premium black powder-coat finish for maximum durability
- Surfaces cleaned and degreased for superior paint adhesion

### Features

- Full-extension glides for smooth drawer operation
- High-pressure woodgrain laminate accents add a residential touch
- Bed-bug-resistant, easy-to-sanitize construction ideal for facilities
