

# Sentinel Metal 2-Drawer Nightstand

## Sentinel 2-Drawer Nightstand

The **Sentinel 2-Drawer Nightstand** offers dependable, heavy-duty bedside storage designed for long-term use in resident and facility environments. Each drawer supports up to 100 lbs. and operates on precision ball-bearing telescoping slides for smooth, full-extension performance.

Constructed from cold-rolled, multi-welded steel with a high-pressure double laminate top, this unit resists wear, corrosion, and pests—providing durability and bed-bug protection for institutional applications.

**Dimensions:** 24"H × 18"W × 19"D

### Structural Integrity

- Cold-rolled prime furniture-grade steel, 35% recycled content
- Will not fracture under bend test; resistant to rust, pits, and scratches
- Multi-welded for maximum strength and longevity
- No exposed raw edges; corners ground smooth and sanded

### Finish

- High-quality water-based enamel powder-coat finish
- All surfaces cleaned and degreased for optimal adhesion
- Baked at 325°F for 20 minutes for a durable, hardened surface

### Drawers & Features

- Two full-extension drawers with 100 lb. load capacity each
- Precision ball-bearing telescoping suspension for smooth operation
- Fixed, solid-front drawers with full-width pulls
- High-pressure double laminate top for superior durability and sanitation
- Bed-bug-resistant and easy-to-clean design
