

Sentinel Bunk Bed

Sentinel Metal Bunk Bed

The **Sentinel Metal Bunk Bed** delivers unmatched strength, safety, and sanitation for high-use institutional environments. Built from heavy-duty steel, it features a durable powder-coat finish and tamper-resistant construction to ensure long-term reliability. The bunk easily converts into two single beds, offering flexibility for varying room layouts.

Available with your choice of **tempered steel spring base** or **solid panel platform**, the Sentinel Bunk Bed provides superior stability and hygiene. Both configurations are engineered for heavy loads and designed to withstand frequent cleaning and sanitization.

Dimensions: Twin - 36" W x 78" L x 68" H | TwinXL - 36" W x 84" L x 68" H

Sentinel Bunk Bed Add-On Accessories

Enhance safety and functionality with optional accessories:

- **Universal Guard Rail:** Provides secure protection, available in 51" and 75" lengths.
- **Bolt-On Ladder:** Made from powder-coated steel for durability and stability; universally compatible with Sentinel Bunk Beds.
