

Sentinel Metal Wardrobe

Sentinel Wardrobe (Knock-Down or Assembled)

Offered in both single and double sizes, the **Sentinel Wardrobe** is engineered for durability, security, and long-term performance in demanding hospitality and commercial environments. Constructed from cold-rolled, multi-welded steel, it delivers exceptional structural integrity and resistance to daily wear. A premium powder-coat finish, complemented by refined woodgrain laminate accents, provides a modern aesthetic while protecting against rust, pests, and corrosion. For added flexibility, the **Sentinel Wardrobe** is available in a knock-down configuration to support cost-efficient shipping and simplified logistics, or fully assembled for fast, hassle-free installation on site.
