

Butcher Block Top

Elevate your dining area with our 1.75" thick Solid Wood Butcher Block Top, designed for both functionality and timeless beauty. Crafted from white oak, red oak, maple, or walnut wood; this butcher block top offers a robust surface that is ideal for food preparation, crafting, and more. **Key Features:**

- **Material:** Made from high-quality, solid wood. The natural grain patterns are both visually appealing and functional, providing a sturdy surface that can handle the demands of a busy kitchen or restaurant.
- **Dimensions:** Available in various sizes to fit your specific needs. Whether you need a small intimate table or a larger area for families or groups, our butcher block tops can be customized to your specifications.
- **Finish:** Treated with a protective sealant, this butcher block top is easy to maintain and clean. The finish enhances the natural beauty of the ash wood, highlighting its rich, warm tones and intricate grain patterns while providing resistance to stains and moisture.
