

## Random Width Plank Top

Transform your space with the elegant and durable charm of our 1.25" thick Solid Wood Random Width Plank Top. Crafted from premium white oak, red oak, maple, or walnut wood; a plank top combines timeless beauty with exceptional strength, making it an ideal choice for a variety of applications. **Key Features:**

- **Material:** Made from high-quality solid wood. The natural grain patterns are both visually appealing and functional, providing a sturdy surface that can handle the demands of a busy restaurant.
- **Dimensions:** Available in various sizes to fit your specific needs. Whether you need a small intimate table or a larger area for families or groups, our plank tops can be customized to your specifications.
- **Finish:** Treated with a protective sealant, this plank top is easy to maintain and clean. The finish enhances the natural beauty of the wood, highlighting its rich, warm tones and intricate grain patterns while providing resistance to stains and moisture.
